#### Nature, characteristics and purpose

The **Living Conditions Survey** is a source of statistical information in European Union countries and is designed with the purpose of obtaining comparative data on income and the living conditions in private households.

The significance of these objectives leads us to ask for your important and valuable collaboration.

#### Legislation

##### Statistical Secrecy

The personal data obtained by the statistical services will be protected by **statistical secrecy** (art. 13.1 of the Law on Public Statistical Services of May 9 1989, (LFEP)). All statistical personnel will be obliged to maintain statistical secrecy (art. 17.1 of the LFEP).

##### Obligation to provide data

Laws 4/1990 and 13/1996 set out the **obligation to provide the data** that is requested for the compilation of this statistic.

Statistical services may request data from individuals and legal entities, both national and foreign, resident in Spain (art. 10.1 of the LFEP).

All individuals and legal entities that provide data **should respond in a true**, exact and comprehensive way within the stipulated deadlines to the questions asked by statistical services (art. 10.2 of the LFEP).

In order to monitor compliance with these regulation, the LFEP (art. 48) grants the INE sanctioning capacity.

**Interviewer:** Read the following to the Informant 'I will now ask you some questions relating to the dwelling. If the household members have other dwellings, please bear in mind that we are only referring to 'this dwelling'.

## 7. Which of the following tenancy regimes applies to the dwelling...

---

**Interviewer:** Read the four possible types to the informant and if they have any queries, you may help them with the following explanations:

**Owned:** When the dwelling belongs to a household member, although it is not yet completely paid for or they are not the legal owner, but the dwelling belongs to them due to inheritance, transfer, etc. because the legal owner has died, emigrated, etc.

**Rented or sub-rented at market price:** When one of the household members pays an amount at market price for its use, although all or part of this amount is subsequently returned by a company, institution, family member or other.

**Rented or sub-rented below market price:** When one of the household members pays an amount below market price for its use. Controlled rent dwellings are included.

**Free of charge:** When the household does not pay rent because the dwelling has been provided by a family member or person who is not a member of the household, by an institution, company or other. When the household pays rent, but it is returned by an institution, company or person who is not a household member, it is not included here.
